Why Must Choose Us

At L'Elite & Hair & More Beauty Studio we are using the Japanese method. The Japanese method is more like spas can vary, usually, the process entails of gently steaming the scalp with a micro-mist coupled with a scalp massage that exfoliates and clean the scalp.

We care for Your Scalp

Most of us don't realize that the scalp is the part of our skin. It is essential to give the scalp the same attention to the rest of your body. A healthy follicle means healthy hair growth!

Healthy Hair Begins with Healthy Scalp!

Scalp treatments are one of the most underrated services at any salon. can help remove debris and sebum from the scalp while balancing and restoring the pH of the scalp. Find which scalp treatment will work best for you.
